Description

-new-

- volume: 60 ltr.
- diameter: 372 mm
- height: 828 mm

* All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.

- suction pipe connection: 40 mm
- weight: 11 kg

The container is made entirely of AISI stainless steel, is equipped with anti-static protection and a lid on which a feeding device can be mounted. The container can optionally be closed tightly with a clamping ring. Due to its four swivel castors, the storage container is particularly easy to handle. An ice-adjustable suction tube is included in the scope of delivery.
